Creative director: Mia Goldberg

Designer: Lily Spiniolas

Frank Ocean website notes

- Focus on music rather than personal life
  - Inspirations, impact of music, meaning of lyrics
- Individual page for each album
- Aesthetic of each page matches the album shown
  - You can look at the website while you're listening and the visuals will reflect the audio component
- Way to play music through the website
  - Possibly click on lyrics or sections to play snippets or link to Spotify/Youtube
- Where do singles go? Possibly on the About page
  - Or a page just for singles
- Scrolling element:
  - Scrolling changes what's shown on the screen and plays a different snippet of a song
- Meeting link: https://wustl.zoom.us/rec/share/oI1oXZYj2rofnurTp282-V8Dx-rEXeR3KRxLnE2EsSz4QcqMkuDamSxJmEXqUy3q.DaxJuM1tZ3vzmRTY?startTime=1636061528000
