Project Title: Frank Ocean Outline

My website will be separated into several pages that cover Frank Ocean's life, but mostly his musical career, with individual pages for each major project. Since each project is dense, with lots of background information and imagery, there will be enough content to put into each page while keeping it organized efficiently.

- **Home page**
 - The home page will provide some background information on Frank Ocean and an outline of his projects.
- **About**
 - Information and images providing context on Frank's life, inspirations, etc.
- **Project 1: Nostalgia Ultra**
- **Project 2: Channel Orange**
- **Project 3: Endless**
- **Project 4: Blonde**
- **Sources**
